

**COUNTY OF LOS ANGELES – DEPARTMENT OF MENTAL HEALTH
COMPTON FAMILY MENTAL HEALTH SERVICES**

-VACANCY ANNOUNCEMENT-

CLINICAL PSYCHOLOGIST II

Compton Family Mental Health Services (CFMHS) is currently recruiting a highly motivated Clinical Psychologist II with strong clinical and leadership skills to join our team. CFMHS provides a full array of culturally competent and linguistically appropriate mental health services. Our services include evidenced based practices, substance abuse services, medication support, case management, advocacy and client centered wellness activities. The person selected for this position along with a child psychiatrist, a medical caseworker, a substance abuse counselor, and a wellness outreach worker will lead the expansion of our services to children, adolescents and transition age youth (TAY).

ESSENTIAL JOB DUTIES:

- Assist with the planning, development and coordination of the child, adolescent and TAY program.
- Provide clinical assessments, diagnostic formulation and treatment planning.
- Provide individual, family & group therapy.
- Crisis Intervention.
- Collaborate with various departments, schools, and community based agencies to meet the needs of children, adolescents and TAY in Compton.
- Actively collaborate with Alcohol and Drugs Program Administration (ADPA) for Substance Abuse Services.
- Provide Targeted Case Management Services.
- Provide clinical expertise, within scope of practice, to community-based organizations specific to the needs of children, adolescents and TAY.
- Provide training to staff in relation to assessments, diagnostic formulation and treatment planning for children, adolescents and TAY.
- Other duties as assigned.

DESIRABLE QUALIFICATIONS: Seeking a clinically sound, self-directed and committed professional with experience working with children, adolescents, TAY and families. Qualified candidates must have a passion for teaching, learning and providing comprehensive services. Excellent organizational, interpersonal, oral and written communications skills are needed. Must be reliable, and have the ability to work with others on a team. Must be able to prioritize multiple tasks.

Interested individuals must hold the payroll title of Clinical Psychologist II. Detailed résumé, last two performance evaluations and master time record for the past two years should be submitted via email no later than **Monday, March 31, 2014.**
